

# Mission **PERU** [PE' ROO]

This trip is designed for students who have completed 9th - 12th grade.

On the other side of the equator Craig and Daisy Tippie are ministering in Huacho, Peru. In Huacho over 2/3 of the population are considered youth. Their vision is to reach, teach and disciple in the name of Jesus. Their church serves the community with a children's church and youth group, men's and women's Bible studies, and a school of ministry.

We are going to partner alongside Craig and Daisy to provide a mission critical need in hosting a youth retreat, lead outreach events, and help their train leaders that have come to the Lord. HS students, we encourage you to prayerfully consider going.

**03** Encourage and strengthen our partner church to better live out what God is calling them to do in their part of the world.

# The Challenge

“There was a man sent from God, whose name was John. He came as a witness, to bear witness about the light, that all might believe through him. He was not the light, but came to bear witness about the light. The true light, which gives light to everyone, was coming into the world.” - John 1:1-9

The true light has come into our world and his name is Jesus. As believers we are committed to make disciples and share his light. That is why we go on mission. Despite Huacho being known as the witchcraft capital of Peru there is a great light shining into the darkness.

Carmel connected with Craig and Daisy Tippie in 2018 and we have sent several teams to help facilitate outreaches and intentional equipping for their congregation. We are excited to continue to link arms with Craig and Daisy as they lead their church.

## Safety

As with every trip, there are risks involved and a need for training in order to be wise and intentional about making provisions for safety. We will be diligent about this leading up to and during the trip itself. The Elders along with our Global Outreach Team has agreed that we are confident about the safety of this trip due to our relationship with our partner on the ground and the environment to which we are going.

### Pray With Us

From Pastor Craig: Pray the Lord continues to bring youth and young adults with a hungry heart for his Word. Pray that we would build up some strong Christian leaders who will continue to pour out into their peers in the community. Pray that we could continue growing our ministries and filling the rooms of our church with more people in need of the love of Christ.

## Standards

Spiritual preparation is vital to serving on mission. In order to participate in the Peru mission project, students are expected to have consistent attendance in Sunday Morning Small Groups, and attend all training dates.
